

CROWD AND PLAYTIME

DJ DONATAMERIKA · 90S HOUSE · 123–125 BPM · FROM 6 A.M.

WHO'S DANCING

People like back in the '90s: they've had a beer already, they love to dance, and they let '90s house go in through the ears and straight into the body. For a few hours they give in to the vibe.
The crowd is part of the show. No people in front of the booth, no set.

PLAYTIME

Why six? A tribute to Haushorst, who took over the decks at the Muna at six every morning. Günni in his blue Pash overalls always shouted:
"Hey, everybody over here, Haushorst is on!"
Respect to the Haushorst.
